

Amazing Super Heroes

There are many Super Heroes in the universe. Some of the greatest heroes are Batman, Wonder Woman, and Superman.

They each have amazing abilities that help them in their quest to keep the world safe. The villains of the world had better watch out!

Trouble in Metropolis

Lois Lane is a journalist for the *Daily Planet* newspaper.

She writes news stories about Superman. Now she is about to become a news story herself!

General Zod, Faora, and Tor-An are villains from Krypton. They have hatched an evil plot to capture Lois in their Black Zero Dropship.
